Adjoining the restaurant and set in a wooden deck above the lagoon, is a large infinity swimming pool with spectacular views.

The Lighthouse Lounge

The upstairs lounge of The Lighthouse with its sundowner gallery, is a soothing setting for sipping champagne or martinis as the sun slips below the horizon, or for ending the evening with an after-dinner digestif.

Sails Bar

The centre of conviviality: the Sails Bar is set in a contemporary wooden cabana in a garden of mature coconut palms close to the lagoon, with daybeds and hammocks for relaxing while enjoying a drink. In the evening, recorded mellow music or local bands softly accompany cocktails, fine spirits and liqueurs.

Island Dining

Dine anywhere on the island, on request. Whether it's a barbecue for two on the beach or a candlelit banquet in a private palm grove, the dedicated Baros Maldives island dining team will take care of it.

Sandbank Dining

Perhaps the most romantic experience on Baros Maldives is a private dinner for two on a secluded sandbank, reached only by boat, prepared and served, by a personal chef and butler.

Piano Deck Dining

A wooden deck shaped like a Grand Piano just off the coast of Baros Maldives – far enough for total privacy but close enough for a view of our lush tropical island during the day, or for witnessing the spectacular Maldivian sunset. A unique setting for an intimate breakfast, lunch or dinner.

THE SPA

Set in the heart of the resort, hidden within the lush foliage of a tranquil, tropical garden, the Spa has four large luxurious treatment suites, each with a changing room, toilet, relaxation area and an open-to-the sky rain shower.

The Spa offers massages to soothe the mind and nourish the body, as well as therapies from all over Asia, and a variety of cosmetic products. Treatments can be adapted to meet each guest's individual needs.
