

The "Silver Sand Lagoon":

Rihiveli means "sand as bright as silver"...

Created in 1983, the Rihiveli concept has grown with respect for nature, poetry, sports, relaxation (no shoes), with no worries (no news).

Having no TV, no Internet and no telephones in our Bungalows, we encourage more conviviality and contact among our guests.

No Shoes, no News... Rihiveli is a lifestyle !

This tranquil resort is located in South Malé Atoll and is accessible by speedboat (approximately 1 hour).

The two virgin islands in the lagoon are accessible by foot, canoe, catamaran, windsurf or dhoni.
